Be sure to pick up your drink ticket for President’s Reception!

BLUE SPONSOR

T-Mobile
Michele Harrell
michele.harrell11@t-mobile.com

At T-Mobile, we celebrate the diverse ways people connect and strive for a world where those connections are seamless, and virtually free of barriers. We’re pursuing a powerful mission: to be the best at connecting people to their world. This is critical for students and educators, who rely on connection to exchange ideas, engage in new immersive technologies, and co-create initiatives without boundaries.

Celebrating 50 Years of Breaking Barriers!

IN-KIND SPONSOR

Gridcheck
Cliff Hanks
<https://gridcheck.com/>
support@gridcheck.com

Gridcheck is designed to help schedulers and service providers stay organized throughout the ordering, evaluating, juggling, booking, and billing processes associated with multi-party, multi-location, and multi-service type events. Our flexible solution allows you to use only the features you need, and it is scalable to accommodate both small and large operations.

IN-KIND SPONSOR

Diana Brandin Realtime Captioning and Sign Language Services LLC
db.realtimecaptioning@gmail.com

Since 2004, DBRC has been delivering high-quality CART (Communication Access Realtime Translation) and comprehensive language interpretation, to a diverse clientele including individual students, businesses, non-profit organizations, and local governments. We cater to those who require speech-to-text and language translation services in various settings, both remotely and in person. Our mission is to support your ADA compliance while ensuring that our clients receive exceptional captions and interpretation in real time.
